Below this, the main dashboard area is titled 'Dashboard' and features a 'Create resource' button. The central section, labeled 'For you', contains five cards: 'Build' (with a blue-to-purple gradient), 'Explore IBM Cloud Shell', 'Visit the IBM Cloud catalog', 'Create and deploy an application', and 'Build a web app with Watson Speech to Text'. Each card provides a brief description and a 'Getting started' button with an estimated time (2 min, 1 min, 5 min, and 1 min respectively). At the bottom, there are sections for 'User access', 'News', and 'Planned maintenance'. The browser's address bar shows 'cloud.ibm.com', and the taskbar at the bottom lists several open PDF files.
